

Key Instant Recall Facts

Reception – Autumn 1

I can name numbers in order to 10.

I can compare 2 numbers by saying which is more or less.

By the end of this half term, children should be able to say the numbers to 10 in order and also be able to compare the size of 2 numbers within 10.

Children should say the following number names in order:	They should also know which number is larger/smaller out of 2 numbers:
0 1 2	3 and 7
3 4 5	
6 7 8	6 and 1
9 10	

The aim is to recall the numbers instantly and know which number is larger/smaller instantly.

Top Tips

The secret to success is practising little and often. Practise your KIRFs while walking to school or during a car journey or in those other little moments where you can work with an adult.

Perhaps you could have number cards that you can show your child and they say which number is larger or smaller. Use a number line to help compare the size of numbers.
