

Welcome to Wheeler's Lane Primary School, a large and friendly three form entry school.

At Wheeler's Lane Primary School our vision is to be a “community of inspiration, aspiration and enrichment.” Our curriculum and decision making are both led by this vision, join us on our journey towards achieving this goal.

We have a commitment to providing a wide range of enriching activities for our children and their families through our exciting and inspiring curriculum, networks we belong to and the range of extra-curricular opportunities on offer.

Our children come from a diverse community and we see this as an opportunity to celebrate the languages and experiences that they and their families bring to us.

We have high aspirations for children socially, behaviourally and academically both inside and outside the classroom. Our children have a strong sense of belonging to our school and this is seen in the way they support each other.

We aim to:

- Provide a bright, happy, stimulating environment where everyone is encouraged to become independent and creative learners.
- Encourage good behaviour and caring relationships based on mutual respect.
- Celebrate the differences which make us so diverse and enrich the life of the school.
- Equip our children with the necessary knowledge, skills and attitudes to become life long learners and effective citizens.
